I authorize the release of the above information and understand Old Dominion University Research Foundation and/or Travelers Indemnity Company of Connecticut may use this information to obtain a driving record. Information released to ODU Research Foundation will determine whether the employee is or is not eligible as a driver with this policy. If not eligible, insurance must be purchased when renting a car, paid at the driver's expense.

Employees are always required to follow all state mandates when operating any vehicle owned, leased or rented. All employees are required to wear a seat belt. The use of communication devices when operating any vehicle is strictly prohibited, including cell phones.
