

A Delegate is someone who has full access to your account and may assist with preparing reports.

Expense Owners must assign their own Delegates.

Steps to assign a Delegate:

1. Click on the drop-down arrow to right of the Expense Owner's name
2. Click on Account Settings
3. Click on Delegate Settings
4. Click on Add New Delegates
5. Type the name of the person to select and assign as a Delegate

Accessing an Account as Delegate

An assigned Delegate can access another user's account to input pre-approval requests and expense reports.

Steps for an assigned Delegate to access another user's account

1. Log in to the system as the assigned Delegate.
2. Navigate to the user's account page.
3. Click on the "Access" button.
4. Enter the user's name and account number.
5. Click on the "Access" button.
6. The system will display the user's account information.
7. Click on the "Access" button.
8. The system will display the user's account information.
9. Click on the "Access" button.
10. The system will display the user's account information.
