

# Commuter Parking

Lots 4, 11, 12, 13, 17, 18, 19

Garages: Constant Center 43rd St. Levels 1, 2, 3, & 4  
Constant Center 45th St. Levels 1, 2, 3, & 4

After obtaining commuter permits, valid in Evening Faculty/Staff designated lots

In addition to designated parking lots, ADA parking spaces are available in all campus buildings. Each building will have an ADA plate or placard and a variety of ODU Parking Passes.

For Visitor Parking, please see "Hourly & Mobile" Section on the back of this map

# 2024-2025

# Parking

All on-campus parking requires a valid ODU Parking Permit or Hourly parking payment. ODU utilizes a virtual permit system and License Plate Recognition (LPR) to enforce parking.

## Student Parking

Freshman and upperclassmen alike are all required to purchase a parking permit in order to park a vehicle on campus. ODU Commuter and Resident Student Semester Permits can be purchased online at [odu.edu/parking](http://odu.edu/parking). Monthly, Weekly, & Daily permit options are also available. See front of map for the QR code to parking lot maps for each permit type.

## Faculty/Staff

Faculty/Staff Permits are renewed annually. You can renew and purchase online at [odu.edu/parking](http://odu.edu/parking). Monthly, Weekly, & Daily permit options are also available. See our website for Faculty/Staff parking locations.

## Short Term Parking

Daily, Weekly, & Monthly Permits are available to anyone parking on campus and are valid in any Traffic/Staff, Commuter, or Resident location and can be purchased online at [odu.edu/parking](http://odu.edu/parking).

## ADA Accessible Parking

Accessible parking spaces are located throughout on-campus. State-issued accessible parking placards must be accompanied by a valid ODU parking permit or hourly parking payment.

## Citations & Appeals

Citations will be issued for violations of ODU's Rules & Regulations (available online at [odu.edu/parking](http://odu.edu/parking)). Appeals: MUST be submitted before the second appeal is reviewed by a committee.

Booting & towing vehicles with no permit or expired permit may be booted and/or towed at owner's expense.

## Motorcycle/Moped Parking

Two-wheeled motor vehicles require a permit and must be parked in the designated service and sign areas in garages and bicycle racks. Permits can be purchased at the TPS Office. All garages have Motorcycle & Moped parking areas.

## Hourly & Daily Parking

After parking your vehicle, have immediate access to your mobile device or via pay station. Steps to enter your license plate number and payment information.

## Payment Options

- Pay Station (Cash & Mobile Pay)
- Visitor Lot
- All VBHEC lots
- 45th St. & E. Kirkwood
- Central Postcard Center 43rd & 45th St Garages
- 49th St Stadium Garage

## Event Parking/Transportation

For an event or activity, you can request Event Parking/Transportation request form online at [odu.edu/parking](http://odu.edu/parking). Reservations must be made at least 4 weeks in advance.

# Transportation

## Monarch Transit SafeRide

Transportation & Parking Services offers transportation to on-campus events as well as inter-campus destinations with Monarch Transit Shuttles. ODU is required to provide transportation for

## SafeRide

With SafeRide you can request a ride home at night instead of walking. Routes are available between Magnolia Ave (North) and 38th Street (South), as well as the Elizabeth River (West) and Longview East (East). A valid permit is required to board SafeRide.

## Transloc App

Download the Transloc App to track Monarch Transit Shuttles in real time and request a SafeRide van. Trips for SafeRide MUST be requested through the Transloc App.

## Project 529 Bike Registration

FREE Bike registration is available at ODU with Project 529. Go to [project529.com/odu](http://project529.com/odu) or download the Project 529 mobile App to register your bike. After registration, please come to the TPS Office with proof of registration to receive your free shield decal and U-locks.

## BikeBYODU

BikeODU weekly or semester rentals are available through the Outdoor Adventure Program at the ODU Student Recreation Center. For more information, please visit the Student Recreation Center.

Complete your public transit GoPass365 pass and obtain passes, tickets, and fares. Stations and other information can be found at [go.hrt.com](http://go.hrt.com). Must be purchased at the ODU TDF Office with a valid ODU ID.

Tanfi is an online commuter solutions platform based by HRT that can be used to report and track your commute, as well as search for carpools, vanpools, and ride sharing opportunities. Users earn

Establishments Register for Free today at [transy.aetamule.com](http://transy.aetamule.com) with your ODU email.

Lime is the dockless electric scooter share and dockless electric bike sharing program owned and operated by the City of Norfolk and available on ODU's Norfolk campus. Download the Lime App and find a payment method to use an e-scooter or e-bike. Please wear a helmet, yield to pedestrians, and ride with care. You can pick up or drop off Lime products at any bike rack or out of the right of way on the sidewalk.
