

macOS Sequoia Upgrade Procedures

Download macOS Sequoia

1. macOS Sequoia is available for download from the App Store. (If you are using a Mac, go to the App Store, search for macOS Sequoia, and click **Get**.)

Install macOS Sequoia

Once you have downloaded macOS Sequoia, follow these steps:

1. Launch **Self Service** from the Applications folder. (Make sure you are logged in as an administrator.)
2. Find **Install macOS Sequoia** and click **Install**.

3. After the installation is complete, you will be prompted to restart your Mac. Click **Restart**.
