- I. **Approval of Minutes** – Ms. Dickeski moved to approve the minutes of the December 7, 2017 meeting. Mr. Tata seconded the motion and the minutes were approved by all members present and voting. (*Dickeski, Scassera, Tata*)

II. Red Flag Report – Vice President Gregory DuBois briefed the Committee on the University’s efforts to identify and react to Red Flags as required by University Policy #3001 - Identity Theft Protection Program, and Board Policy #1601 – Identity Theft Protection. This talks about credit card identity theft and the Office of Finance said that no risks were determined so this can continue as usual.

III. Report from the Internal Audit Director – Ms. Amanda Skaggs, the University’s Chief Audit Executive, reported on the current and completed projects.

A. Projects in Progress:

- General Accounting

Mr. Tata also asked if there is something that people need to do to obtain the training. Ms. Skaggs referred this question to Ms. ReNee Dunman, Assistant Vice President for Equity and Diversity. Ms. Dunman responded that there is student training that goes through Student Engagement and Enrollment Services. They have touch points for orientation for the freshmen students and that training is refreshed the second year. Preview and Orientation, as well as in Housing, include this training to ensure that all new students to the University have the required training.

President Broderick added that transfer students also attend Preview where the training is provided as well. He added that a concerted effort has also been done on the faculty side to ensure training for them.

Ms. Dunman added that faculty have an 89% completion rate of the on-line module. To ensure they take the training, they receive notifications with the link and several reminders.
