

2018 MESSAGE FROM THE President's Task Force on Inclusive Excellence

Dear Colleagues,

As we begin the new year, I am pleased to share with you the findings of the President's Task Force on Inclusive Excellence. The report, "Inclusive Excellence: The Imperative of Diversity in the 21st Century," is a landmark document that outlines a vision for a more inclusive and equitable campus. It is a call to action for all of us to work together to create a more vibrant and successful community.

The report identifies several key areas for focus, including:

1. **Leadership and Governance:** We need to ensure that our leadership and governance structures are inclusive and equitable. This means creating a diverse and representative leadership team and ensuring that all voices are heard in our decision-making processes.
2. **Academic Excellence:** We need to ensure that our academic programs are inclusive and equitable. This means providing all students with the resources and support they need to succeed and ensuring that our curriculum is relevant and engaging for all.
3. **Community Engagement:** We need to ensure that our community is inclusive and equitable. This means creating a welcoming and supportive environment for all and ensuring that we are engaged with the broader community.

I encourage you to read the report and to share your thoughts and ideas with me. We need to work together to create a more inclusive and equitable campus for all.
