The screenshot shows a web form with a header area containing a search bar and a 'PUBLISHING' button. Below the header, there is a section titled 'Publishing Status:' with two radio button options. The first option is selected and is labeled 'Listed - Media page will be visible to all users with a link to the page.' The second option is labeled 'Unlisted - Media page will be visible to anyone with a link to the page.' The main content area of the form is currently blank.
