Provider Name:

Online via TouchNet/uStore Site

Person responsible for maintaining uStore:

**Note: A uStore site allows a site manager to create stores and product pages with a shopping cart checkout feature, all on a secure platform. \*\*\*uStores must employ the CAPTCHA setting within all products for added security. Ensure the CAPTCHA setting is set to "Yes" on all products in your store.**

Online via TouchNet/uPay Site

**Note: The uPay site is built to connect with an existing web application that allows the payment information and transaction to take place on a secure platform.**

If using TouchNet, you must include a completed User Request Form found at:
