The addition of the 85 Hours of Giving Campaign in September 2015 has helped to raise this number. The Athletic Foundation is in a renewal period right now, which should help increase those numbers. Next year is a seating year for football, so the donor counts are expected to be higher. Mr. Brandon then noted that the gift income amount is \$10.2 million, which is actual money coming in and both foundations He noted the importance of looking at not only endowments but also cash received.
